

HELP US PLAN FOR THE FUTURE!

We have recently completed our Master Plan and now we are reaching out to community members to be involved in our next steps moving forward.

We are looking for residents of South Davis County to help explore our different options and be a voice in and for the community. If you are interested in being involved in the future of the recreation district please let us know by contacting us at the information below!

If interested in being a part of this process please email us at the South Davis Recreation District at info@southdavisrecreation.com.
